For immediate release

DONATION FROM MEDI CANADA TO THE CANADIAN LYMPHEDEMA ASSOCIATIONS FOR LYMPHEDEMA AWARENESS MONTH

Montreal, April 18th, 2022- medi Canada is proud to announce that the March Lymphedema Awareness Month fundraising campaign has been successful! Of the \$5,300 raised, \$2,800 will be donated to the Quebec Lymphedema Association (LAQ), \$2,000 to the Lymphedema Association of Ontario (LAO), and \$500 to the Lymphedema Association of Manitoba (LAM). These donations will allow the Canadian Lymphedema Associations to support the cause and continue their primary mission: to change the lives of people affected by lymphedema. medi looks forward to opening the initiative to all Canadian lymphedema associations next year.

These valiant Canadian Lymphedema Associations work to support, educate and raise awareness of people living with lymphedema, their families and friends, and health care professionals. They provide information and education on lymphedema, its causes, risk reduction, and treatments for this chronic disease while encouraging scientific research towards a cure. Lymphedema Awareness month is one of the most symbolic periods for all persons living with lymphedema. Worldwide each year, the entire month is dedicated to raising awareness and rolling out advocacy activities to raise the profile of lymphedema and related lymphatic disorders.

medi continuously contributes to the treatment of many diseases and conditions through its medical compression products. medi is proud to help those in need to improve their quality of life. The company supports various humanitarian causes, such as the *medi for help* program, which aims to help the less fortunate. This program supports people in emergency situations without access to medical care.

About medi

medi is one of the world's leading manufacturers of medical products and has been in the business of medical compression since 1951. Furthermore, the company will celebrate its 70th anniversary this year.

medi employs approximately 3,000 employees, has 25 international branches worldwide, and exports to more than 90 countries. The medi Canada branch is located in Quebec, in Varennes, on the South shore of Montreal.
